

Verde Valley Nursery Organic Products that will be available to purchase

Happy Frog Jump Start - 4lb bag - \$9.99

Get young transplants and seeds off to the right start. From their first day in your garden, they need the right mix of nutrients to germinate and grow. This gentle blend includes phosphorus for healthy root development, and calcium, which helps buffer acidic soils and increases a plant's ability to fight off disease. Foxfarm Happy Frog Jump Start formula is pH-balanced with premium organic ingredients like bat guano, kelp meal, alfalfa meal, and humic acid, a naturally occurring organic material that is formed when organic matter decomposes.

Happy Frog All Purpose - 4lb bag - \$9.99

Support healthy growth all season long with Foxfarm Happy Frog All-Purpose blend. It's pH-balanced with premium organic ingredients like feather meal, fish meal, bat guano, and humic acid, a naturally occurring organic material that is formed when organic matter decomposes. Humic acid helps with seed germination and may increase the uptake of important micronutrients.

Happy Frog Vegetable - 4lb bag - \$9.99

Before you can bring a great meal to your table, you need to bring a great meal to your garden. Tomatoes, soft fruits, and veggies require a special nutritional mix to ensure high yields. Foxfarm Happy Frog Tomato & Vegetable formula is pH-balanced with premium organic ingredients like bat guano, kelp meal, alfalfa meal, fish meal and humic acid, a naturally occurring organic material that is formed when organic matter decomposes. Humic acid helps with seed germination and may increase the uptake of important micronutrients.
